

Research Development Director, On Your Level Youth Project: Be on the ground floor of an innovative media education program that will have a major impact on youth throughout Indianapolis. We are seeking an enthusiastic, aggressive self starter capable of helping us propel the project from concept to reality. Must be an excellent communicator, be able to assist in creating a compelling business plan, work well with a team, and follow through on tasks with a minimum amount of supervision. Position is part time initially (7-10 hours per week @ \$15 per hour) with a possibility of growth to full time. For more information on the On Your Level Youth Project see our temporary web page at www.onyourlevel.org. or Blair at (317)875-5815.
